#64748B

Branding notes: No website or digital branding assets were available for inspection to determine official brand colors, typography, or logos.
No company logo was detected during website inspection.

Pros

- No findings were provided for this section.

Cons

Missing Official Business Website

The business Romeo Lane does not have an active website URL provided in the inspection data, preventing digital discovery and online engagement.

Evidence: Inspection data shows websiteExists as false and status as not_available.
Priority: high
Recommended action: Develop a professional, mobile-responsive website to showcase menus, operating hours, location details, and contact information.
Expected impact: Enables digital discovery, increases customer trust, and allows online reservations or inquiries.

Improvements

Launch a Dedicated Business Website

Without a website, potential customers searching for bars and pubs in Zirakpur cannot view the menu, ambience, or contact options online.

Evidence: Website inspection confirms that no website URL exists for Romeo Lane.
Priority: high
Recommended action: Build a modern web presence containing essential restaurant details, high-quality photos of the venue, and a clear Google Maps integration.
Expected impact: Captures high-intent local search traffic and drives footfall to the physical location.
