Brand Identity

Primary color: #64748B

#64748B

Branding notes: No official website existed during the audit, so no branding elements, colors, or typography could be directly inspected.
No company logo was detected during website inspection.

Cons

Complete Absence of Official Website

Romeo Lane in Zirakpur lacks an official standalone website, relying entirely on third-party aggregators and social media platforms.

Evidence: Business profile and website inspection indicate that no official website URL is recorded and websiteExists is false.
Priority: high
Recommended action: Develop and launch an official business website to maintain full control over brand presence, reservations, and customer direct inquiries.
Expected impact: Enables direct customer bookings and centralizes brand messaging away from third-party platforms.

Improvements

Build a Mobile-First Official Website

The business has no web presence for digital discovery, menu exploration, or direct table booking.

Evidence: Business inspection shows websiteStatus is missing with no recorded URL.
Priority: high
Recommended action: Create a new multi-page website featuring a Home page, digital Menu viewer, About Us, Atmosphere Gallery, and Contact/Reservations page.
Expected impact: Increases customer engagement and captures high-intent local search traffic.

Implement Local SEO Schema Markup

Local search visibility for Zirakpur dining queries is currently dependent solely on external listings.

Evidence: Business operates without a dedicated domain or indexed on-page local business data.
Priority: medium
Recommended action: Deploy LocalBusiness schema markup containing exact address details (Shop no-4, Maya Garden Magnesia, Zirakpur) and operating hours.

Expected impact: Improves organic search ranking visibility for local dining searches.
