Report

Findings

Title: Complete Absence of Official Website
Category: business
Evidence: Website inspection evidence shows websiteExists is false and status is not_available.
Severity: critical
Confidence: high
Expected Impact: High, as it establishes an online footprint and digital accessibility for prospective members.
Recommendation: Develop and launch an official website for Gymkhana Club to provide essential information, contact details, and membership options.

Action Plan

Task: Establish Domain and Hosting
Priority: P0
Rationale: Required as a foundational step since no active website currently exists.
Deliverable: Active domain name and secured web hosting environment.

Acceptance Criteria

- Domain registered successfully
- Hosting server provisioned and secured with SSL certificate

Task: Design and Develop Core Website Pages
Priority: P1
Rationale: Provides the essential digital touchpoints for prospective and current members.
Deliverable: Fully responsive Home, Facilities, Membership, and Contact Us pages.

Acceptance Criteria

- All four core pages developed and published

- Mobile responsiveness verified across standard device viewports
- Accurate address and location details included for Sector 3, Panchkula

Limitations

- No website inspection data was available as websiteExists is false.
- No competitor data was present in the supplied evidence, hence competitor insights are empty.
- Contact information such as phone and email were not available in the business profile.

Design Direction

Imagery: High-quality photography of club facilities, sports courts, recreational areas, and engaged members.

Typography: Clean, highly readable sans-serif typography suitable for both headers and body text across desktop and mobile devices.

Visual Style: Professional, welcoming, and community-oriented sports club aesthetic, conveying activity, health, and leisure.

Color Direction: Energetic and trustworthy color palette utilizing athletic blues, deep greens, and neutral tones.

Layout Principles

- Mobile-first responsive design
- Clear visual hierarchy
- Intuitive navigation for facilities and membership info
- Prominent calls-to-action for contacting the club

Interaction Principles

- Fast loading times
- Accessible touch targets for mobile users
- Simple form submissions for inquiries
