Report

Findings

Title: Complete Absence of Official Website
Category: business
Evidence: Website inspection evidence shows websiteExists is false and status is not_available.
Severity: critical
Confidence: high
Expected Impact: High increase in discoverability, online credibility, and membership inquiries.
Recommendation: Develop and launch an official, mobile-responsive website to showcase club facilities, membership tiers, and contact details.

Action Plan

Task: Procure Domain Name and Secure Web Hosting
Priority: P0
Rationale: Establish foundational digital infrastructure required to launch an official website.
Deliverable: Active domain name and configured web hosting server.

Acceptance Criteria

- Domain is registered under the club's name
- SSL certificate is successfully installed
- Hosting environment is stable and accessible

Task: Develop Core Website Pages
Priority: P1
Rationale: Provide essential information regarding facilities, membership, and contact details to prospective members.
Deliverable: Functional multi-page website including Home, About, Facilities, Membership, and Contact pages.

Acceptance Criteria

- All five core pages are published and linked correctly
- Website renders correctly on mobile, tablet, and desktop viewports
- Contact form successfully captures and routes user inquiries

Limitations

- No website inspection evidence was available because the website does not exist or was not provided.
- No competitors were explicitly present in the supplied evidence, so competitorInsights is empty.
- Assumptions regarding the club's operations are based solely on its category as an association/ organization in sports clubs and academies.

Design Direction

Imagery: High-resolution photography featuring actual club facilities, sports courts, recreational areas, and engaged members.

Typography: Modern sans-serif typeface such as Inter or Roboto for optimal readability across mobile and desktop devices.

Visual Style: Clean, professional, and community-focused athletic aesthetic representing recreational sports and leisure.

Color Direction: Energetic and trustworthy palette utilizing forest greens, navy blues, and crisp white accents to reflect sportsmanship and tradition.

Layout Principles

- Mobile-first responsive design
- Clear visual hierarchy emphasizing membership and facilities
- Intuitive navigation structure with accessible contact information

Interaction Principles

- Fast-loading pages with minimal friction
- Prominent call-to-action buttons for membership inquiries
- Accessible touch targets for mobile users

Business Overview

Summary: Gymkhana Club is an association and organization categorized under sports clubs and academies, located in Sector 3, Panchkula, Haryana 134109.

Services

- Sports club facilities
- Recreational activities
- Membership services

Business Model: Membership-based sports club and recreational association providing facilities to members.

Customer Goals

- Access sports and recreational facilities
- Register for club membership

- Participate in community and sporting events
- Inquire about club rules, timings, and fees

Target Audience

- Local residents in Panchkula
- Sports enthusiasts
- Families seeking recreational facilities
- Club members

Website Assessment

Strengths

- Established physical presence with a specific address in Sector 3, Panchkula

Weaknesses

- Absence of an official website limits digital accessibility and online membership acquisition
- Lack of digital touchpoints for prospective members to view facilities or schedules

Evidence Gaps

- No website URL is available in the profile or evidence
- No pages were inspected as websiteExists is false

Overall Summary: No official website was found or successfully inspected during the analysis. The business has a physical location in Panchkula but lacks an active online digital presence based on the provided evidence.
